Report of Workshop on “Vedic Mathematics”

Date	21/10/2024
Guest Speaker	Dr. Rishi Agrawal,
Name of Department	Mathematics
Academic Session	2024-25
Number of Students	47

Importance of Workshop:

Workshop help students improve their learning in a more interactive, topic specific way. Workshop can be used to make classes more approachable and appealing to students. Such lectures are very helpful not only for the students, but can also contribute to the teacher's knowledge and practices. A guest speaker offers a new perspective to specific topics and exposes students to teachings drawn from real-life experiences. Guest speakers can inspire students to care about where their education can take them. They can influence students to ask questions, investigate, apply newfound knowledge, and follow a path of lifelong learning. Guest speakers come from across multiple disciplines and with different areas of expertise, and so students get introduced to potential careers and jobs they can opt for, once they are out of the Institute.

With this objective in mind a Workshop on Mathematics was organized for the students of Mathematics on 12nd March 2024. Mathematics is the study of science which deals with the patterns, both practical and abstract, involves analytical thought, logical reasoning. Problem solving skills and precise communication.

All the student of B.Sc. First year of all departments attended the workshop. In his address Dr. Rishi Agarwal sir has delivered the lecture on VEDIC mathematics on syllabus of IKS in a very easy way of solving the problems by interesting methods of VEDIC mathematics as well as inspired the student by his wonderful lecture.

In this workshop Dr. Rishi Agrawal explained the students regarding the known Vedic Mathematical concept very clearly that will help the student to enhance mathematics with very fast calculations as it is very important in today's competitive journey of their life.

Behalf of this workshop Dr. Rishi Agarwal sir also gifted DSC practical handbook of First Semester Compulsory subject to the college.

At the end of the lecture, students got to interact with Dr. Rishi Agrawal. The students gave their feedback and explained how they were benefited by the lecture. Ms Komal S. Tiwari and Ms. Pallavi T. Bansod of the department of Mathematics took efforts for the success of the workshop.
