## REPORT OF EXTENSION ACTIVITY (DONATION TO ORPHANAGE)

Department of Home Science Extension Education,  
Sevadal Mahila Mahavidyalaya, Nagpur  
Session: 2011-2016

## INTRODUCTION:

Department of Home Science Extension Education (Home Science Faculty) of this institution has been performing this activity of donation of essential material and goods to orphanage since last 10 years. VARADAAN, the Vidarbha chapter of Indian Association for promotion of adoption (IAPA), was established in 1970 in Mumbai by a group of professional social workers, lawyers and adoptive parents with the firm resolve that every child has a right to a family and that adoption is the most effective way to rehabilitate destitute children. Varadaan the Vidarbha chapter of IAPA, Mumbai was established in NAGPUR in 1990. It is registered society, which is also licensed under orphanages and other charitable homes( supervision and control) Act1960 and has certificate to do in the country adoption from commissionerate Women and Child development, Pune, (M.S.) Varadaa is the rainbow between two hearts one that asks for love, the other that gives it through adoption”.

It has a well maintained 15 bedded child care unit at Bajaj Nagar but now it has been shifted to Laxminagar, Nagpur and is licensed to receive abandoned children from their natural parents. Ongoing efforts are made by the team of professional social worker of Varadaan to place in adoption the infants received at the unit after completing all the social-legal procedures.

This activity has been undertaken every year from the Academic session 2005-2006, Dr. Mrs. A. R. Rathkanthiwar has extended here full cooperation as a member of the committee of extension activity.

### **AIM**

The main aim of our extension activity is to help the orphan children. It is realize that with a little help and a few donations for orphans, we can make a huge difference and positive impact in the life of someone.

### **METHODOLOGY**

The extension activity was performed every year by the Department of Home Science Extension Education. The money was collected from each staff member as per the willingness. Then personally visited to Varadaan institute and met Deputy Director

Mrs. Pallavi Padole regarding the requirements of children's need, a list of items has been prepared and accordingly the items were purchased from the shops and it can be donated in the Institute accordingly.

## **EVIDENCE OF SUCCESS:**

The infants are more benefitted by our donations. The Deputy Director of this Institute has appreciated our work because we are serving all the items as per their requirements just from 10 years which is utmost essential for them.

The following academic session the college staff has given items as per the requirements. As the children are infants they require more items for sanitation purpose. Details of the description of items are as follows:
