About College

Sevadal Shikshan Sanstha, Nagpur (M.S.) was founded by great patriot Late Shri Sulemankha Pathan Guruji in 1958 with handful of administrative staff to start with but plentiful of well-wishers keen to see bright future for the society. Sevadal Mahila Mahavidyalaya, Nagpur was established in 1992 under the former Presidentship of Shri Kesharaoji Shende for the noble mission of imparting knowledge to girls. The institution has keeping steady progress under present Presidentship of Shri Sanjayji Shende. The management has been keen and meticulous not only creating infrastructural facilities but also in expanding the academic activities of the institution to a great extent in the field of Science, Home Science and Social Science. Sevadal College was assessed and accredited by National Assessment and Accreditation Council (NAAC), Bangalore and awarded Grade B ++ on 8th January, 2004. The Internal Quality Assurance Cell (IQAC) was established on the recommendations of the Peer Team for enhancing the quality of academics in the college. On 27-29 August, 2010, the college was assessed and reaccredited for its second cycle by NAAC, Bangalore. NAAC awarded 'A' Grade to the college with 3.01 CGPA on 8 th January, 2011. The college offers basic programmes with wide academic flexibility. The college has been recognized as Centre for Higher Learning and Research in Microbiology, Chemistry, Environmental Science, and Zoology by Rashtrasant Tukdoji Maharaj Nagpur University, Nagpur. All the programmes are directed towards realization of our Mission and achieving our objectives, in keeping with the values of Sevadal Shikshan Sanstha, as propounded by its founders. The Peer Team Reports of first and second cycles allowed the college to introspect and improve on quality parameters. A more functional IQAC with defined roles and responsibilities was a major initiative taken by the college. More teachers were involved in preparing the SSR along with the IQAC. Introspections and discussions amongst teachers have helped in preparing a precise Self Study Report (SSR). Resource mobilization from UGC under college development and research grants has taken up as a major strategy to improve the infrastructure, augment library facility, teachinglearning facilities, introduction of PG diploma courses and Career Oriented Programmes and construction of girl's hostel. A language laboratory has been set up for enhancing communication skills and is being utilized by department of English. IT infrastructure is being continually improved with LCD projectors in class rooms, Internet connectivity in the library and departments.

ABOUT VISHWASHANTI MULTIPURPOSE SOCIETY

Vishwashanti Multipurpose Society (Global Peace Multipurpose Society) was formulated on the STS (Science, Technology and Society) movement which has a long history in science education reform and embraces a wide range of theories about the intersection between science, technology and society. The key aim behind these efforts was to ensure the development of a broad-based science curriculum, embedded in the socio-political and cultural contexts in which it was formulated. They would also understand the relevance of scientific discoveries, rather than just concentrate on learning scientific facts and theories that seemed distant from their realities.

Essence of Vishwashanti Multipurpose Society (Global Peace Multipurpose Society) are

- Social responsibility
- Critical thinking and decision making skills
- The ability to formulate sound ethical and moral decisions about issues arising from the impact of science on our daily lives
- Knowledge, skills and confidence to express opinions and take responsible action to address scientific world issues.
